# More trains to run on main line to Waterloo

● BUT AXMINSTER GAINS JUST ONE EXTRA AFTERNOON SERVICE TO EXETER

## ■ DOUBLE CELEBRATION AT THE LIBRARY

THE achievements of two youngsters have been celebrated at Axminster Library.

Elliot Hawkins, who attends St Mary's Primary School, won the library's half-term arts competition. And John Story has completed the Book-Track challenge (reading 100 books) for the third time.

Devon County Council Library Service area manager Mark Peasley met both youngsters at the library on Thursday of last week..

Elliot received a DVD voucher whilst John, who attends Stockland Primary School, was presented with a certificate and badge.

AXMINSTER will miss out when South West Trains (SWT) increases services on the Exeter-London Waterloo route.

Honiton, on the other hand, is the big winner with increased afternoon and evening weekday peak services to and from Exeter.

But Axminster will only gain an afternoon service to Exeter (departing at 2.36pm) as part of the proposed new timetable.

The reason given is a lack of infrastructure.

When asked why Axminster had only gained one

## Another fatal crash on A35

ONE person died and two suffered life-changing injuries when two cars collided on the A35 at Greenway Head, Raymonds Hill, on Sunday afternoon.

The crash site is described as being about 350 metres into Dorset, so the accident did not happen at the notorious Raymonds Hill/Hunters Lodge turning.

The accident happened just after 2.30pm and involved a Toyota driven by a 63-year-old man from Lincolnshire, and a Peugeot, driven by a 28-year-old woman from the Lyme Regis area.

A 59-year-old woman, who was a passenger in the Toyota, was pronounced dead at the scene.

The two drivers were both airlifted to hospital, and suffered what was described by Dorset Police as serious and life-changing injuries.

Witnesses to the crash, or events leading up to it, are asked to contact PC Gareth Blaken from Weymouth Traffic Police on 101, quoting incident number 250:15.

extra service, a SWT spokesperson said: "The Axminster loop was built to accommodate one train per hour in each direction, which is what it does today.

"To increase the service any more, there needs to be an additional loop at Crewkerne and until this happens, this severely limits capacity."

### Exciting proposals

Consultation is currently taking place with local authorities and rail user groups about the proposals. Speaking about the timetable proposal as a whole, Tim Shoveller, Chief Executive of the South West Trains-Network Rail Alliance, said: "These are exciting and innovative proposals that would provide a greatly improved service for thousands of passengers in Somerset, Dorset and Devon and could also create brand new links to London for many communities.

## COLYTON

### Young wheelwright meets skills minister

A YOUNG woodworker from Mike Rowland & Son Wheelwrights in Colyton attended a special celebration of apprenticeships at the House of Commons last week.

Apprentice bench maker and journeyman wheelwright George Richards, 18, who joined the traditional company in September 2013, met with Skills and Equalities Minister Nick Boles at the event and was invited to share his experiences of taking on an apprenticeship. Organised by the National Apprenticeship Service, the event showcased the products and services made by apprentices to politicians, existing apprentice employers and business leaders.

Jason Holt CBE, the government's small business apprentice ambassador, also announced the formal launch of an online peer-to-peer support platform for small business, Apprenticemakers.

George, a seventh generation woodworker in his family, has always been passionate about becoming an apprentice in the traditional trade and displayed four small wheels and a door he had made by hand at the event. When taking on his apprenticeship in 2013, he was the only in the country to be funded by the Livery Council Apprenticeship scheme, and studied once a week at Exeter College.

Later this month, George will be travelling to the USA for a working month in colonial Williamsburg to learn pre-industrial methods in wheel manufacture.

The celebration of apprenticeships took place in the wake of research from economists at the Centre for Economics and Business Research (Cebr), releasing new research showing millions of consumers would prefer to do business with apprentice employers.

## Train takes the strain

**GOOD** news this week for regular rail users in East Devon and South Somerset.

South West Trains are investing heavily in improving their service on the Exeter to Waterloo line in initiatives which are said will provide a significant boost to our local economy.

As a regular commuter two or three times a week to London from Axminster, I'm pleased to see that South West Trains are introducing more trains.

Axminster Railway Station is a great asset to the town and its surrounds and the staff could not be more helpful.

I always travel First Class, using a senior travel card to reduce the cost, because it means I can work all the way to London and back again. But it's still expensive.

However, the old advertising campaign, "Let The Train Takes The Strain" is certainly still the case for me.

Generally, the trains are on time but it's not always a wholly enjoyable experience. The trains are often in a poor state of repair and the toilets are almost always disgusting.

At peak times it is sometimes impossible to get a seat on the way home and on one occasion last week I had to stand, with dozens of others, from Waterloo to Salisbury.

The last train out of Waterloo to Exeter leaves at 8:20pm and it would be good for business travellers if there was one later train. A bit more variety on the refreshment trolley wouldn't go amiss, either.

Travellers from Yeovil will be delighted that they are opening up the Yeovil Junction to Yeovil Pen Mill service which should do wonders for the town. And there are more trains from Waterloo to Yeovil.

It's particularly good news for Honiton with extra services out of Exeter in the evenings. Pity they don't go as far as Axminster but technically that's not feasible, we are told. Perhaps that may change in the future. But Axminster will be getting improved facilities for those who cycle to and from the station.

All-in-all, then, it's welcome news from South West Trains.

## SEATON

### Rainbows in search for new premises

**SEATON** Rainbows leaders say they would be forced to close down the group if alternative accommodation cannot be found.

The group, which operates at maximum numbers of 15 members aged 5-7 years, must be out of St John Ambulance Hall in Colyford Road no later than April 30th. The building is about to be demolished as part of a development of employment units.

In a joint statement, group leaders Dawn Squire, Sue Smart and Tracy Anning, said: "We desperately need to find alternative accommodation in the next few weeks.

"Ideally, if we could meet on the same night and have good safe access for parents and storage, but it already looks like that is not going to be possible. Parents have been very supportive and are shocked to hear of our plight."

The building is on East Devon District Council (EDDC)-owned land and leased to St John Ambulance.

The joint Rainbows statement added: "It's really disappointing that, despite EDDC identifying Seaton as a town in need of regeneration, they have no compunction in demolishing a well-equipped hall used by many local community groups."

As part of the employment unit planning application process, an EDDC report said: "There is local concern relating to the loss of the existing building, which is used by a number of community groups for various different purposes.

"Whilst the loss of this facility would be regrettable it would not lead to a complete loss of such facilities in the town."

## HONITON

### Extra trains boost

**HONITON** and the surrounding area looks set to be one of the winners in South West Trains' new timetable proposal.

The changes haven't been confirmed, but the company wants to increase afternoon and evening weekday peak time services between Exeter and Honiton.

If approved, the new timetable would, for example, mean two trains per hour from Exeter to Honiton during the evening peak.

Consultation is currently taking place with local authorities and rail user groups about the proposals.

Speaking about the timetable proposal as a whole, Tim Shoveller, Chief Executive of the South West Trains-Network Rail Alliance, said: "These are exciting and innovative proposals that would provide a greatly improved service for thousands of passengers in Somerset, Dorset and Devon and could also create brand new links to London for many communities.

"The new services are designed to provide new opportunities for work, leisure and business and would deliver a huge boost to the region's economy.

"We've had some great initial feedback on our ideas and we're now urging the local communities and businesses to have their say and let us have their feedback on these new proposals."

The timetable changes proposed could be introduced as early as December this year if regulatory approval is given.

Consultation is taking place until April 2nd with stakeholders across the SWT network.

If you would like to provide any feedback about the proposed changes, submit comments by Friday, March 20th to WoE@swtrains.co.uk

# EAST DEVON

## Annual new builds figure set at 950

A KEY report rules that 950 new homes per year, over 18 years, is the right amount for East Devon.

The results of the independent Strategic Housing Market Assessment (SHMA) report, commissioned jointly by the planning authorities of Exeter, East Devon, Mid Devon and Teignbridge, and Dartmoor National Park, have been made public.

The figure is higher than East Devon District Council's (EDDC) previous estimate, and the finding will play a big part in the development of EDDC's Local Plan.

# More trains will 'boost the region's economy'

## ■ FROM PAGE ONE

"The new services are designed to provide new opportunities for work, leisure and business and would deliver a huge boost to the region's economy. "We've had some great initial feedback on our ideas and we're now urging the local communities and businesses to have their say and let us have their feedback on these new proposals."

The timetable changes proposed could be introduced as early as December this year if regulatory approval is given.

Consultation is taking place until April 2nd with stakeholders across the SWT network.

Proposed changes to the December 2015 timetable include:

- A half-hourly train service from London to Tisbury, Gillingham, Templecombe, Sherborne and Yeovil Junction between 3.20pm and 7.20pm.
- More than doubling the existing train service at Yeovil Pen Mill with an additional 18 South West Trains' services every day
- 17 trains every day connecting Yeovil Junction and

Yeovil Pen Mill.

- Connecting Bruton directly with London for the first time (four trains per day) offering Castle Cary, Bruton and Frome direct services via Basingstoke, Woking and Clapham Junction (four trains per day).
- Yeovil Junction, Sherborne and Templecombe have two additional trains in the mid-afternoon – 1.50pm from London Waterloo and 3.53 from Yeovil Junction.

- Two trains per hour from Exeter to Honiton during the Exeter evening peak.

- Yeovil Pen Mill will have seven direct trains from and three trains to London Waterloo each weekday.

If you would like to provide any feedback about the proposed changes, submit comments by Friday March 20th to Wo@swtrains.co.uk

Axminster Railway Station is one of 36 to get a share of a £3.7million central government grant to improve cycle facilities.

Full details of the project at Axminster are still to be announced, but rail bosses described the grant as "fantastic news for passengers".

## Dragonflies celebrate Ofsted report

■ STAFF, children and parents from Dragonflies Pre-School in Axminster had reason to celebrate after a glowing Ofsted report. The pre-school earned the highest grade possible – 'outstanding' – after its latest inspection. The inspector's report read: "The quality of teaching is outstanding because staff have an excellent knowledge of how children learn. They complete precise and accurate assessment and planning for individual children so they make rapid progress."

Dragonflies manager Sam Parker baked a celebratory cake to mark the achievement. She said: "Being rated as an outstanding pre-school by Ofsted is fantastic news, and reflects the hard work of our dedicated team. Everything we have achieved has been driven by focusing on the children and their needs."

Pictured above staff and children enjoyed their success and, below, manager Sam Parker about to slice the cake.

# New organisation to manage county libraries

DEVON County Council (DCC) has decided to set up an independent organisation – a community-owned mutual – to run its libraries.

As a result, all of DCC's libraries will remain open and continue to be managed by professional library staff.

It is understood that the formation of a mutual will save about £400,000 in business rates a year alone.

The idea came about when plans to introduce a two-tier library system as part of a £1.5 million cost-cutting exercise was met by disapproval.

The finer detail of the not-for-profit, community-owned organisation will be worked on in the coming months.

Councillor Roger Croad, Cabinet member with responsibility for the library service, said: "Creating a new independent organisation to run our library service will ensure it remains the dynamic and vibrant service at the heart of community life that our residents' value so much."

"Our library service is recognised as one of the most innovative in the country, providing services that support health and wellbeing, children's attainment and economic growth in the county."

"This plan builds on our recent successes and gives the library service the opportunity to grow rather than contract at a time of significant austerity."

"We've welcomed support from communities, and come up with a plan that not only secures a strong and sustainable future for the service, but

also means communities can be much more actively involved in their local library by supporting and improving the services they offer."

"I'm encouraged by the success of the ongoing community pilot programme that is underway and already beginning to show the benefits of greater community involvement in the library service."

"By working together we can achieve the modern, high quality library service that meets the needs of

the local community."

"We've got a lot more work to do over the coming months, and we look forward to engaging with library customers and communities as the planning for this new organisation moves forward."

A county spokesperson added: "As well as budget savings, creating a new independent organisation would also mean that communities have a greater say in how their local library is run."

"This could involve moving their library to an alternative community location to enable it to be open for longer and reduce the building's running costs, using volunteers to extend core library opening hours, using under-utilised space in the library, or using the library out of core opening hours to generate additional income and increase community use of the building or incorporating other services or facilities into the existing library in order to reduce the overall running costs."

"The independent organisation would also have greater flexibility and more control over running costs for the service and could access new funding sources unavailable to the council."

"Libraries would also have a more concentrated focus and greater opportunities to engage more directly with customers, communities and partners."

## Axminster students to take part in Auschwitz Project

TWO sixth form students from Axe Valley Community College in Axminster have gained places on the Lessons from Auschwitz Project, run by the Holocaust Education Trust.

Mary Scott, *pictured left*, of Chard and Jacob Horton, *pictured right*, of Seaton had to submit a short report detailing how they thought they could benefit from being awarded this opportunity and how they would share this knowledge and experience on their return.

Mary and Jacob's entries were selected and they were set to start their experience on March 16th with an orientation seminar in Exeter, learning about pre-war Jewish life and hearing a holocaust survivor share their testimony.

On March 24th they have an early start from Exeter airport for their flight to Poland where they will visit authentic sites and museums and take part in discussion groups with other students.

The post visit work is an extremely important part of this project and Mary and Jacob will be part of a follow-up seminar to reflect on the visit, explore the contemporary relevance of the Holocaust and prepare for their next steps as trust ambassadors.

This will involve completing a project of their choosing aimed at disseminating in their schools and communities the lessons they have learned.

On learning of his success in being offered a place on this project, Jacob said: "I feel this is such an honour. It is special to me as my grandad was in the war; I have his medals. It is a fantastic learning opportunity and a chance to share the opportunity with other students."

The Lessons from Auschwitz Project is now in its sixteenth year and has taken more than 25,000 students and teachers from across the UK on this unforgettable emotional and educational trip.

## News briefs

### Free cookery classes for carers

HEALTH and Local Food for Families (HALFF) in Axminster is about to start free cooking classes for carers.

HALFF's Laura O'Rourke said: "If you are caring for your husband, wife, friend or other family member – why not come along to this hands-on cookery class?"

"During the six-session course you will learn basic cooking techniques to enable you to prepare healthy and nutritious recipes with confidence.

"The course has been extremely well received in the past and we are looking forward to running the next set of sessions from March 23rd for carers."

For more information or to book your free place, telephone 01297 631782 or email Ros at [admin@halff.org.uk](mailto:admin@halff.org.uk)

### Coffee for cancer aid

CLOAKHAM Lawn Sports Centre will be the scene of a coffee and cake morning in aid of Cancer Research UK on Saturday March 21st from 10am-2pm.

The event is part of Axminster resident Rebecca Sims' 100-day dryathlon. She is not touching alcohol for 100 days in aid of the charity, hoping to raise £500.

She can see the end of her challenge, the last day being April 6th, and hopes for a big turnout on March 21st.

At the time of writing, she had raised £305.

The coffee and cake morning will also feature a raffle with prizes from local businesses.

### School book jumble

AXE Valley Community College in Axminster will hold a combined book and jumble sale on Saturday March 21st. The event will take place in the main hall from 2pm-3.30pm. Money raised will go to the college PTFA and local mental health charity The Project.

# £90,000 for unfair dismissal

FORMER All Saints Primary School head-teacher Christine Hollidge has been awarded compensation of almost £90,000 for her unfair dismissal.

The ruling follows a three-day employment tribunal heard in September last year. A spokesperson for National Association of Headteachers said: "It is with great pleasure that Mrs Hollidge is now in a position to announce that she has received from her previous employer, the governing body of All Saints C E Primary School, the maximum compensation available from an employment tribunal due to her for unfair dismissal in April 2013."

"The NAHT was surprised by early press releases asserting that the tribunal had found the dismissal to be unfair on 'procedural' grounds only.

"The tribunal's judgement is clear – this was a substantive unfair dismissal.

"The maximum compensation payment is consistent with that finding.

"For the avoidance of doubt, there was no disciplinary or capability reason why Mrs Hollidge could not have returned to her position as head-teacher of All Saints Primary School.

"The tribunal judgement and maximum compensation mean that Mrs Hollidge's reputation has been restored and goes some way to reflect 25 years of loyal service to All Saints Primary School."

The statement didn't give a precise sum, but Mrs Hollidge confirmed it is very close to £90,000.

She also said: "It is a tremendous relief to my family and me that the trauma of the past three years is now over and I am now free to speak about my experience.

"I wish to thank all those who never doubted me – the NAHT, friends, parents and members of the community.

"My wish has always been for reconciliation and I am delighted that my name and good reputation have been restored by the judgement."

### Donated food stays local

OFFICIALS of food bank Canned Sunshine have stressed that all donations stay in the Axminster area.

Axminster Health & Wellbeing Centre runs the foodbank, and managers Sara Waplington and Samantha Norris had to issue a statement to kill off rumours that food donations are shipped out of town.

Sara and Samantha said: "Unfortunately, there has been a rumour about town that the food collections go to Bristol.

"This is totally untrue. All donations go straight back into Axminster community and the surrounding villages.

"Should you encounter the 'rumours' when you are out and about in the town, we would be really grateful if you could also put the record straight."

Canned Sunshine has also opened a permanent collection point at the town's Tesco branch.

The existing collection points at Co-op (West Street) and the centre itself will continue to operate as usual.

## Lego volunteer needed

A LEGO-mad volunteer is sought by Axminster Library.

It may sound like a very odd priority for a library, but staff member Sarah Jones explained: "Eli Birnie-Postin, 14, of Axminster, set up and ran our Lego Club as part of his Duke of Edinburgh Award.

"Eli finishes his three-month volunteering at the library so we are looking for a new volunteer.

"When Eli started volunteering at the library, he mentioned his love of Lego – so we decided to set up a club and in three months it has gone from strength to strength.

"We regularly have a dozen youngsters at the club which runs every Saturday from noon to 1pm and is aimed at children aged seven and over.

"Lego encourages both technical skills and creativity and as well as being great fun, the Lego Club has brought into the library children who wouldn't normally come.

"The new volunteer can be any age, as long as he or she is mad about Lego."

Anyone who might be interested should call in at the library or phone 01297 32693.

## Welcome to The Koppers

A Residential Care Home specialising in the care of people with Dementia set in one of the most beautiful East Devon villages.

The owners have a wealth of experience in the care of the elderly with complex care needs, long standing mental health problems and severe communication disabilities. They manage, lead and support a dedicated, well trained team of staff and provide a 24 hour person-centred care in a secure environment.

Our Gold Standards which cover all aspects of our work, are Choice, Dignity, Compassion, Respect, Relationships and Friendship.

The Home features a spacious Day Activity area, dining room, relaxation/quiet lounge and

patio. Bedrooms are on the ground and first floor, which is accessible by chair lift. Single and double rooms are fitted with hand basins, en suite facilities, some with shower/wet room, television point and up to date 'On Call' system. Personal possessions are welcomed at the owners' discretion and health and Safety regulations.

Meals are offered from a balanced and varied menu, offering choice and delights. Special diets are catered for by excellent home cooking this is locally sourced. Soft drinks and snacks are readily available throughout the day and night.

The gardens and grounds are a delightful pleasure; residents can enjoy the lovely lawns, seasonal flower beds, shrubberies and terraces including Green

Houses and Vegetable plots, tended with loving care.

The amenities of Kilmington offer opportunities for day to day activities and social inclusion. A friendly community and annual fete and flower show, the local Shop/Post Office, Church, Village Hall, and Village Green with a bubbling stream running through makes for an idyllic and peaceful place.

Our activities organiser promotes and encourages a wide range of stimulating activities and outings relevant to the individual, and wherever possible, links with the local community for outings and social inclusion.

We also offer Respite Care.

## School coffee morning raises £300

THE All Saints Primary School Parents, Teachers and Friends Association's coffee morning and sale raised more than £300.

The event was staged in Church Rooms on Thursday March 12th and co-organiser Karina Felice said: "The coffee morning was a great success offering cakes, savouries, hot drinks, bacon butties, books, clothes, bric-a-brac, a tombola and a raffle raising over £300.

"The fantastic effort made by the PTFA was in aid

of helping raise funds for new IT equipment and playground equipment for the school.

"The PTFA would like to thank Reflections, South West Communications, the market traders, Marion Margetts, Wise Owls Pre-School and the Axminster community for their generosity and support.

"The coffee morning was one of a number of fundraising events held this year with many more exciting things planned for the remainder of the year."

## Turnaround by Chamber nets summer ball

AXMINSTER Chamber of Commerce shall go to the ball, after all.

Only a few months ago the chamber was moribund as nobody came forward to take over as chairman from the abdicating Lisa Lyman.

At the same time it was decided not to stage a 70th birthday bash for the chamber.

But after ex-chairman Shane Morgan's late intervention to lead the chamber again, there are plans for a grand ball for 400 people to celebrate the birthday. Mr Morgan presented the plans for a 70th anniversary ball when chairing the chamber's March meeting.

Fellow members supported the plan and, if all goes well, the grand ball could become an annual event.

It was revealed that Axminster Young Farmers' Club won't stage its summer ball, traditionally held in a marquee on the showground the night before the town's beer festival.

Axe Vale Festival, which is in charge of the marquee, has offered the Friday June 26th slot to the chamber instead.

Mr Morgan hopes to raise up to £5,000 for the chamber by staging the ball. He explained that it would be a ticket only event, based on tables of ten – with a 400 capacity.

It would cost about £11,000 to stage, but tickets at £35 each and other income streams should generate a profit.

Mr Morgan said that a number of companies and organisations had already indicated they would take as many as two tables each, so the prognosis is good. More information will follow in due course, and Mr Morgan said: "If successful, there is no reason not to do it the year after, and the year after that."

## Web window on council candidates

TOWN council candidates in Axminster will be able to promote themselves on the town council website.

Back in February Axminster mayor Jeremy Walden gained support in principle for his proposal to give every candidate 200 words on the town council website before the May elections.

The proposal was back on the agenda for the town council's March meeting.

It was explained that East Devon District Council election officials had been consulted, and cleared the way for the idea as long as certain criteria was met.

# Talks held over beach ownership

BEER Parish Council is looking seriously at the possibility of taking greater control of the beach and the running of the beach huts, *writes Kevin Fahey*.

District Councillor Geoff Pook, who represents Beer and Branscombe on East Devon District Council, told parish councillors and members of the public at Tuesday's meeting that negotiations were on-going into how the village could take greater control of its own assets.

"One plan was for Beer Parish Council to take on the beach huts and send a single invoice to EDDC," said Cllr Pook.

"Alternatively other ideas include taking all activities on the beach. It is all in the melting point for whoever is in charge after the elections in May."

"There will be further consultations but nothing has been decided but it is important that whatever is decided is sustainable for the village.

"But essentially the beach could be self-financing if it includes the income from the concessions."

Cllr Pook has been busy obtaining information from EDDC of the revenue and expenditure associated with the beach and all the various activities on it from the letting of beach huts to the café concessions and the maintenance of the beach and cliffs.

The issue was thrown into the limelight recently when the EDDC revealed it was revising the rental rates for all its beach huts to bring them in line with commercial operations and was also looking at new terms and conditions.

The issue caused considerable alarm among beach hut owners in Beer and Cllr Pook had to allay the perception that the EDDC owned beach huts were being out for open tender on the market.

Councillors were supportive of the move to get further information on the costs and liabilities for the council in taking over the beach.

"There is nothing to be frightened of," added Cllr Pook.

APPROACHING her 10th year as chairman of the popular Beer Regatta Kate Boalch is looking for someone to help her with the overall duties.

Mrs Boalch stressed she has no intention of stepping down but for personal reasons is keen to find someone to work alongside her and with one eye on the future help groom a possible successor.

"I am still going to be chairman but after 10 years it would be nice if there was someone else in the wings to help take over some of my duties," said Mrs Boalch.

"We also want more people to come forward and help out. They don't necessarily have to join the committee as we already

have people who organise events and do so as volunteers."

Mrs Boalch said the Regatta committee would particularly like to find someone who can assist with Robbie's Races which take place on the opening Sunday of Regatta week and have become increasingly popular.

"Robbie's Races have become a bit like a sports day really with kids focussing on the races," added Mrs Boalch.

She also confirmed that barrel rolling, which attracts big crowds to the village, will return for a third year after they were re-

stored to the programme after a long absence.

The Regatta Day on Thursday August 13th will again be the focal point of the week with the traditional events such as the popular bingo evening and the spoofing competition also returning.

"We have also agreed in principle to have kayak racing this year but we will know more about that next month when we have our next meeting," added Mrs Boalch.

The next meeting of the Regatta committee will be held at the Mariners' Hall on Tuesday April 14th (7.30pm).

The Beer Regatta is scheduled to run from Saturday August 8-15th.

## Seaton tramway's big plans

SEATON Tramway has advanced plans for a brand new, state-of-the-art terminus in Seaton.

The company does not mention a precise figure, but says the project would represent its biggest capital investment ever.

A planning application is yet to be submitted, but it is hoped the new terminus will be ready in time for Easter next year.

Apart from being the company's biggest capital investment ever, the project is also seen as a massive boost of confidence in the area.

Seaton Tramway chief executive Jenny Nunn said: "We are working closely with East Devon District Council and the Devon Wildlife Trust to ensure all our plans are compatible and can jointly contribute to the economic success and wellbeing of Seaton and the surrounding area.

"I am extremely excited by the prospect

of co-operating with our local authority, voluntary sector and private partners to really put the town on the map, for all the right reasons."

A company spokesperson added: "The new plans for the tramway terminus will provide a modern, all-weather facility which will enhance visitor comfort, offer the usual facilities expected of a leading visitor attraction, and improve the interpretation of the tramway's history and operations.

"It will represent the biggest capital investment ever made in the company's history, and a massive vote of confidence in the local area.

"The arrival of the Tesco store, along with the imminent opening of Seaton's Jurassic Coast Visitor Centre, means that the tramway needs to develop a terminus in keeping with its neighbours, which between

them can attract more visitors, and retain them in the town for longer periods of time."

Seaton tramway also hopes to achieve charitable status.

The process started late 2014 and is due for final Charity Commission approval later this year.

The change of status will help ensure that Seaton Tramway continues to preserve, protect and enhance access to both its own transport heritage and to the natural environment around it.

Chairman Bruce Warnes explained: "The time is definitely right for us to move the tramway into a new era, where charitable status will help consolidate our position as one of East Devon's leading attractions and ensure that even more visitors can enjoy the magic of our trams and the Axe Valley for decades to come."

# Council insists camp site kerb will stay

DEVON County Council (DCC) has refused to give in and says that a controversial road kerb in Axmouth will stay put for the time being.

As a result, a camp site proprietor fears her long-

established business will go under.

The kerb was laid last autumn and Axmouth Camp Site proprietor Sue Adams immediately objected. She says it takes away vital turning space for large vehicles turning into the camp site, especially for those coming from the Axminster end.

She and her agent have been in touch with DCC to try and have the kerb replaced by a dropped one.

When asked if her customers could simply turn around further down and enter from the Seaton end, she said: "They would have to go all the way to Seaton, it is 1.5 miles."

DCC officials agreed to a site visit on Thursday March 5th.

Sue said that a trial run was carried out, during which an experienced driver needed three attempts before he could negotiate his way in the camp site.

But DCC officials refused to climb down.

A DCC spokesperson said: "The kerb is part of a footpath which provides a safe route between the village hall, the church and onward to the footway which continues towards Seaton.

## Beer news in brief

**THE** famous Beer Wurlitzer in the Congregational Church gets its first public airing in 2015 on Saturday (March 14th) when 'Welsh Wizard' Byron Jones gives a performance.

The concert starts at 2pm, tickets £7 on the door including interval refreshments. For further information call 01297 24892.

**BEER** Parish Council chairman Martin Richards has received complaints from members of the public over buses run by Axe Valley Mini Travel. "Some of the buses are stopping

outside Durham House rather than the (official) bus stop outside Beer Village Store so people are then running across the road to get on the bus," said Cllr Richards.

"I have had complaints from local people so we need to ensure that the buses stop at the bus stop."

**THE** Beer Village Heritage Centre is linking with Surfers Against Sewage to hold a beach clean in Beer on Saturday March 28th (11am) and everyone is welcome to come and help. Meet at the beach Heritage Centre.

by Anders Larsson  
anders@pemedia.co.uk

"It came about after a number of years of consultation with residents and was endorsed by the parish council.

"For reasons of pedestrian safety it is necessary to have concrete kerbs at the start of the footway.

"During construction a towed caravan was brought in from the Seaton direction and the kerbs were set out based on its movements into the site." "The scheme will be monitored during its first year to en-

able any necessary adjustment to be made to ensure we can deliver the safest possible route for pedestrians whilst minimising the impact on local business.

"This monitoring is ongoing and does include gathering feedback from the parish council and local user groups.

"So far, feedback from parishioners and pedestrians has been positive." Sue commented: "I'm devastated, we will lose a lot of revenue."

"We worry, especially about the casuals who come for a night, they are going to come and say 'I'm not going to try to get in there'."

"I pay more than £700 a month in rates, maybe I should stop paying rates until this is sorted."

## New Seaton group meets for first time

FORTY people packed into an upstairs room of Seaton Town Hall for the first meeting of the West Seaton and Seaton Hole Association.

Residents heard acting chairman Jon Chilcott, and co-founder Martin Shaw explain why they felt the 'forgotten' side of Seaton needed a new group to represent them.

It was emphasised that although the group was based on the west side of town, it would make a contribution to the town as a whole.

People present on March 5th raised a wide range of issues which the association should be concerned with, including coastal erosion, inap-

propriate development, the "dismissive attitude of East Devon District Council" to people's views on planning issues, and the need to reopen the Chine Café.

There was support for Jon Chilcott's view that the group should undertake positive action for the environment as well as protesting against harmful developments. Alarm was expressed about alleged pollution of the Beer Brook.

The group agreed to meet again at the beginning of April to elect officers and agree a constitution.

Residents and others interested in the group can email [seatonhole@gmail.com](mailto:seatonhole@gmail.com)

## Seaton crime round-up

POLICE officers on the Seaton town beat took reports of ten crimes during February.

The crimes reported were common assault (3), criminal damage (3), breach of ASBO (2), theft and harassment.

The number of reported crimes is the same as that for February of last year.

PC Steve Spearitt said: "February saw the second lowest recorded monthly total and is down from a peak of 36 crimes in 2004."

"The Seaton neighbourhood team and the special constabulary were in attendance at the Grizzly, which passed without incident. We would like to pass on our thanks to the organisers for making it a safe and secure event for all the runners and visitors to Seaton."

If you have any information on crime in Seaton, please get in touch with Seaton Police Station on 101, by e-mail at [seaton@devonandcornwall.pnn.police.uk](mailto:seaton@devonandcornwall.pnn.police.uk) or Crimestoppers on 0800 555 111.

## Special birthday celebrations at Abbeyfield

ABBEYFIELD in Colyton recently celebrated the birthday of its eldest resident, Vee Hemsley.

Vee was visited by her brother Peter, from London; her son Tony, from Bristol, and daughter Adrienne; her grandchildren and great grandson and other friends and family for her 99th birthday in February.

When asked what her secret was to a long and happy life, she said regular walks and keeping active.

Vee is pictured right with all her family and friends and below with her great-grandson Leo.

## New twinning chairman

SHARON Bruce is the new chairman of Seaton Twinning Association.

This followed the news that the entire committee would stand down at the combined annual general meeting and auction.

Held at Winston's, the AGM saw Graham Jones voted in as vice-chairman, Ken Beer as treasurer and Glyn Roberts as secretary.

Clare Jones, who stepped down as chairman, said: "That leaves us without a publicity officer for the present."

"We are hoping someone will put themselves forward in the near future for this important role."

"The meeting was attended by about 50 people, most of whom remained for the auction of promises.

"This was a great success, raising £471 for our hospitality fund, and providing much amusement in the process."

"Thanks to Kevin Frost, formerly of Lyme Bay Auctions, who donated his expertise and entertaining services to the project."

"We'd like to thank again all the local businesses who donated vouchers and services, as well as the individuals who offered their time or gifts for auction."

"Our thanks are also due to the twinning members and members of the public who took part, and put in some very generous bids."

"We also appreciated the presence of the town mayor, Councillor Gaynor Sedgwick, and Winston's were very welcoming and helpful."

# Renowned artist paints local scene for art group

In early March, Seaton and District Art Society had its monthly demonstration with pleasingly large number of both members and visitors attending, reflecting no doubt the very interesting demos that have been arranged for them recently, and this one was no exception.

The group was treated to a talk by John Hoar, a man who is both a renowned water-colourist himself and is also the son of a famous water-colourist/cartoonist in Punch. He studied for a while under Ruskin Spear RA and was trained in architecture.

Who better to demonstrate the best way to approach the handling in paint of the main downhill street in Lyme Regis, showing the ancient Royal Lion Hotel?

John showed that behind his easy and free approach to the subject, there was in fact quite a rigorous structure of vanishing points and horizons that resulted in the higgledy-piggledy-looking ancient architecture, in fact showing exactly the slope down to the sea.

John used a limited palette of raw umber, raw sienna, Winsor blue and Paynes grey mainly to pro-

duce the look of a typical cloudy summer's day with the light coming from the west.

Although he was working on an upright easel so that the audience could see the progress, he skilfully added wet colour to wet colour without the dribbles that the members are familiar with. His paper was unstretched Fabriano 140lb, he told the more technically-minded members.

The final result was much appreciated by all, and the members thanked him warmly. Chairman Maureen Turner reminded everyone that the next demonstration will be again in Seaton Town Hall at 2pm on April 13th, and will be "Ponies on Dartmoor" in acrylic and gouache by Norman Rossiter. All are welcome and visitors are charged £3.

## Pub relay team raised £1,300 for charity

THE Tuckers Arms in Dalwood presented a cheque for £1,300 to the Duchenne & Becker Muscular Dystrophy charity after a relay team from the pub ran a mile each in the Three Hills Challenge. The money raised from the race was added to funds from a bingo night and other sponsorship to make the final total. The relay team would like to thank the Tuckers Arms, Dalwood Run Committee, Andrewhayes Caravan Park, Seward's Coaches, Burrow Farm Gardens, Millers Farm Shop and the Burroughs family at Abbey Farm. Pictured above, Tracey McGowan of the Tuckers Arms presents the cheque to charity representative Anne Long.

# Schools do something funny for money!

STUDENTS and staff at schools around East Devon got into the silly spirit for Red Nose Day last week.

Schools took on this year's theme of "make your face funny for money", with many sporting face paint, wigs and silly glasses as well as costumes or red clothing.

Most were able to take part in activities indoors, but pupils at Musbury Primary School braved the elements for their combined Red Nose and Wassaiking Day, which involved apple tree planting on the school field.

Comic Relief spends the money raised by Red Nose Day to help people living tough lives across the UK and Africa. Pictured here from top are Colyton, All Saints, Musbury and Axminster Community primary schools.

# Why did the council not grant temporary lease for Beehive?

■ ON Tuesday, March 10th Honiton Town Council voted to give away for 10 years the management of The Beehive to the company who have been running it on a temporary lease.

This letter is not a criticism of the company or how The Beehive has been run. It is a comment on our town council and its management of our finances.

The motion was carried despite borrowing of £975,000 towards the building which Honiton's ratepayers will be paying back for 28 years, a further borrowing now of £98,000 to meet the shortfall, the fact that the final bill from the builder is not yet known, and also £75,000 of unauthorised payments are being disputed by Honiton Town Council.

Further, in February Honiton Town Council

unanimously agreed to abide by an independent mediation exercise into the governance of the Beehive, the results of which are expected shortly.

In its wisdom the town council has given away this (as yet not finally paid for) asset for the next 10 years. It will receive no income to offset any of its spending. It will receive £1 a year rent from the company to which it has now given management of the building.

Why on earth did the council not grant a further temporary lease until the matters mentioned above are resolved? Too late now, ratepayers of Honiton, it now belongs to somebody else – you will just keep paying, through your council tax, for The Beehive (whether or not you ever go there).

JILL MCNALLY,  
Honiton

## St George's resident don't want bedsits

■ FURTHER to the report on the front of last week's *Pulman's View From Axminster* (March 7th), we the residents of St George's do not want a HMO of five bedsits.

We are a small community of only one to two-bedroom apartments and feel this type of housing is out of character will greatly affect the surrounding area, especially through noise and disturbance. The complex refuse shed is already overflowing and a further five dwellings will only add to this. We have submitted letters of objections and a signed petition to the council.

There is certainly a big grey area over the planning documents for the use of 19 St George's, from a residential ground floor only to a dentist (no planning applications found online) to residen-

tial/HMO now. Added to this the work began long before the plans were submitted.

Councillor Moulding states that there might be some overlooking but no different to elsewhere in the complex. The top windows he refers to are less than three meters away and look directly into one of the flats. Nowhere else in the whole complex has windows this close, or is overlooked.

The building formally The Axe Vale Social Club has permission for 11 apartments. This is surely a better solution and much more space for the "youth of Axminster" to move into. We do not have an objection to 19 St George's being turned back into a ground floor only apartment.

## District council says Sidmouth's getting 'cracking good deal' with sale of Knowle

■ POPPING up like puppets on cue, Councillor Diviani's obedient cabinet, aided and abetted by Sidmouth's own Tory district councillors, nodded through the sale of Knowle last night (March 11th) in the latest stage of the long-running farce that is the office-relocation.

According to the puppets, Sidmouth will never have had it so good. It's getting "a cracking good deal," piped Councillor Twiss (he who'd rather stick "hot pins in his eyes" than engage in a public debate with an Independent candidate – a serious case of frit perhaps). After all, Sidmouth is gaining a retirement community and we all know we need more of them, especially the expensive second-homes we so desperately lack.

No matter about the loss of community assets like the fine chambers used for concerts, religious services, talks and wedding receptions. No matter about the loss of 150 parking places for weekend

visitors to a tourist town. No matter about the loss of the best of its unique woodland park, namely its magnificent prospect, the loss of which will trash the rest of the gardens - which no doubt can be built on later.

What's more, it was all the fault of a vocal Sidmouth minority (like the 4,000 on the march) who, according to Councillor Diviani, prevented the council from getting £10million for the Knowle when its own plan to build all over the park was refused.

Yes, it's all Sidmouth's fault and all Sidmouth's "gain". And what goodies are we next promised? Well, look forward to Sidford Business and Industrial Park and then a superstore at the Alexandria Road estate and even more empty shops in town to let...

MICHAEL TEMPLE,  
Sidmouth

## Refreshing act of kindness

■ ONE evening quite recently we heard a knock on our door. There stood in the doorway were two young children with a parent in the background.

"We are taking part in an Act of Kindness Week and would like to give you this cake." We offered a donation which was refused. The cake was presented in a small plastic bag with a note which said "God bless you".

In a world filled with violence and hatred, how refreshing to see children encouraged to be kind; so much better than trick or treating where the message is "give us something or we'll do something nasty to you".

Well done Payhembury Parish Church youth group.

## Charity fashion show a 'rewarding event'

■ SEATON Royal British Legion would like to thank the local charity shops for their help and good wishes.

The following listed shops took part in a charity shop fashion show: Red Cross, brainwave, Hospicecare Support Team and Seaton Hospital League of Friends.

The event raised money for the shops and much-needed funds for the Royal British Legion. Many thanks to all who heled out on a very rewarding event.

## Porkies

HERE at Porkies we pride ourselves on providing top quality meat at affordable prices.

Since moving to Devon and opening our shop nearly one year ago, myself, my wife and our new baby daughter have been working hard to find the right local farmers and producers and we now have a great team working with us. We sell ruby red Devonshire beef from Crediton, Dexter beef from Taunton, free range chicken from Upottery. Pork from Ottery st Mary, lamb from Fenton.

We believe in selling local produce and supporting the local community. Live local, shop local, support the high street.

## Ingredients

Boned and rolled shoulder of pork  
Oil  
Salt

## Stuffing

450g (1lb) Pork sausages  
1 Eating apple, cored and cut into chunks  
Handful fresh sage leaves  
String for tying

## Method

Allow 100-175g (4-6oz) raw meat per person for boneless joints.

Preheat oven to Gas Mark 4-5, 180oC, 350oF.

Take a boned and rolled shoulder joint. Make the Stuffing: Slit the sausage skins and remove the sausagemeat. Mix together sausagemeat and apple pieces. Cut the strings from the joint and open up on a board. Place the sage leaves onto the meat and top with the stuffing, roll up the joint and secure with string in 3-4 places. Weigh the stuffed joint and calculate the cooking time - 30 minutes per 450g/1/2kg (1lb) plus 30 minutes (medium).

Dry the rind and score deeply with a sharp knife. Rub the joint with a little oil and sprinkle with salt.

Place on a rack in a roasting tin and open roast in preheated oven for calculated cooking time.

When cooked allow to stand for 10 minutes before carving. Serve with seasonal roasted vegetables.

**Top tip:** If you have any stuffing left over cut some onions in half horizontally, scoop out some of the layers and put a big spoonful into the onion shells. Cook with joint for the last 40-50 minutes

# NATIONAL BUTCHERS' WEEK

CELEBRATING BUTCHERS' CREATIVITY AND PASSION

## NATIONAL BUTCHERS' WEEK IS BACK

Butchers throughout the UK are gearing up for National Butchers Week (23-29 March), which aims to celebrate everything that is great about the high street butcher, reinforcing the fact that butchers remain the number one choice for range, service and convenience when it comes to purchasing meat.

Ed Bedington, editor of Meat Trades Journal (MTJ), which organises and promotes the week, said: "The focus on independent retail and, particularly, butchers continues to grow as consumers look for increasing assurance and the personal touch of dealing with shorter supply chains.

"National Butchers' Week (NBW), which is going into its eighth year, aims to support and strengthen that view and give butchers an opportunity to set out their stall for consumers, who traditionally may have avoided the high street when it comes to buying their meat."

With that added focus on the high street, the 2015 campaign will build on the work of previous years, which saw MTJ launch the very successful 'Idiot's Guide to the Butcher', and the longer-running campaign of encouraging consumers to get into the shops and 'Ask the Experts'.

A social media campaign, using the hashtag #butcherisbetter will encourage consumers to engage and share their reasons for shopping at their local butcher.

"We'll be encouraging both the trade and consumers to tweet about the great experience that can be found using the butcher's shop, and spread the word that the #butcherisbetter," Bedington added.

The week will also look at the evolution of the high street butcher and how, whilst the technology and trends have evolved over time, the butcher is still performing the same function of providing high-quality meat to consumers.

### Complete Meats

QUALITY, local meat and great service - we hope these are words you would use to describe your local butcher. We know it's convenient to fill up the trolley at the supermarket with everything you need for the week, but trust us, price and convenience come at a cost. Once you try Complete Meats, we would be surprised if you go back to the supermarket. Our sausages are made with free range West Country pork and have won many awards, mince is tender and tasty, diced meats are well trimmed and our own dry cured bacon cooks perfectly. We also make our own ready to cook pies, perfect for an easy tasty dinner, plus hot and cold filled rolls, pies and pasties for lunch.

From our Complete Meats shops in Axminster, Chard and Honiton our friendly staff will help you make the right choice for the meal you want to cook or you can shop online. We also serve the catering trade throughout the West Country. You can find more information on [www.completemeats.co.uk](http://www.completemeats.co.uk) or follow us on Facebook or Twitter

## Women's Institutes ROUND UP

### HONITON AFTERNOON

At the March meeting, Honiton Afternoon WI were pleased to welcome John Stuart who gave an illustrated talk entitled "Exmoor and the Doones".

It was a very interesting presentation showing many beautiful views of Exmoor at various times of the year. Mr Stuart talked about R.D. Blackmore, the author of Lorna Doone, and showed memorials of him on the Moor.

There is a part of Exmoor known as Lorna Doone Country, at the heart of which is Doone Valley, also known as Bagworthy Valley. The tiny village of Malmesmead is at the heart of this area.

Members were shown pictures of the church at Oare where, in the story, Lorna Doone was shot at her wedding ceremony. Stories of the Doones were possibly fact or fiction and dated from around the late 1600s. They were certainly a force to be reckoned with and feared.

The presentation concluded with a visit to the Valley of the Rocks at Lynton and the legend of Mother Meldrum, the witch who reputedly lived in the Valley many years ago.

Christine Broom thanked John Stuart for a very interesting journey through Exmoor.

The next meeting is on April 13th at 2pm in the Methodist Chapel, when Connie Thomas will be speaking on "Farms for City Children". Visitors are always very welcome to attend.

### BEER

At last month's meeting of Beer WI members heard an interesting talk from Graham Nye from Coastwatch, a charitable, volunteer-run service which came into operation in 1994 following withdrawal of public funding.

Working alongside HM Coastguard, the RNLI and police services, they monitor activity along the coast and out to sea from strategically-placed watch towers.

Their mission is "to assist in the preservation of life and safety of all at sea" and through the use of slides and anecdote, Graham gave members an interesting insight into a typical watch at Exmouth, where he is

based. Members of the public are welcome to visit a watchtower whenever it is open.

Members also discussed ideas to improve the garden areas in the Jubilee Gardens to get them refreshed for spring, as well as several fundraising proposals to enable them to support a bursary for a member to attend a course at Denman House in the WI centenary year.

### MUSBURY & WHITFORD

The March meeting of Musbury & Whitford WI took place on the 10th at Whitford Village Hall. Apologies were taken and birthday posies given, with special flowers for Margaret Clarke and Marnie.

Marnie thanked everyone for their hard work for members' night, which had been highly successful. The branch has now donated to the defibrillator for Whitford village, which will be located in the village hall.

The speaker was then introduced - Niki Lillie, who had travelled up from Cornwall. The title of her talk was "Lavender Water & Snail Syrup" and it really was the ingredients, some remedies from hundreds of years ago, and used to fight the plague, etc. There were no hospitals in those days and doctors were expensive, so everyone made their own medicine from wild flowers, herbs, etc, draining snails in a bag hanging upside down, to extract the syrup.

It was reported that the group had raised £600 for Axe Care Services. Ideas for the next charity to support must be local.

Lee Ross volunteered to attend the garden party at Buck House. Volunteers are needed for Axe Vale Show.

The speaker for next month will be a representative from Collective Legal Solutions to talk on "Tax, Care & Toy Boys", Whitford Village Hall on Tuesday, April 14th, 7.30pm. All welcome.

### THORNCOMBE

On March 10th Thorcombe WI members were entertained hilariously by Susan Marshfield, with anecdotes about her "Holidays Afloat".

Susan's husband could not swim, but fell in love with a life on the ocean wave rather than under it. After their first holidays on narrow boats cruising from Stratford upon Avon and from Lechlade down the Thames, Mr Marshfield came home one day with a huge inflatable dinghy, which proved very taxing for Susan in that she had to deflate it by rolling on it (it had been decided that the dinghy was a no-go for family holidays!).

They were then invited to sail from Exmouth to Alderney in a friend's yacht, when the outward journey was very pleasant but the homeward one, in a fierce storm at night, was horrendous, daylight bringing an encounter with a submarine!

Things improved after the submarine debacle, as her husband came home from work some time later announcing that he had purchased a cabin cruiser, which they named "Jasons", a mnemonic of their names and those of their two small sons. Mr Marshfield then seemed to morph into Captain Bligh, supervising several test launches on their lawn, and a final launch at Tewkesbury, some miles from their home in a location where they could be safe from sight of neighbours and friends in case it should all go horribly wrong.

The launch was a success and their holidays afloat have since gone from strength to strength, although Susan says that she seems frequently to find herself from knee to waist-deep in water. Captain Bligh barking out his orders from the cockpit! Nonetheless, Susan is adamant that these holidays knock spots off cruise ship ones, and many members would second that.

The annual meeting will be held on Tuesday, April 14th at 7.30 pm in the village hall, when members will appoint their committee, decide on this year's resolution and enjoy social time. The May meeting will be held at 7.30pm on May 12th, when John Burgess will speak on "Passing it on - your memories and life history - how to record". New members and visitors will be most welcome.

## National Trust members enjoy talk on Cerne Giant

THE National Trust Axe Valley Centre were given an enlightening and amusing talk on the March 11th by Robert Rhodes of the West Dorset National Trust, his subject being the Cerne Giants.

Robert showed members an image of the giant from a helicopter and also told the group its dimensions. He spoke about the methods used for refurbishment, which takes place every 10/15 years, depending on the deterioration caused by the grass growing back over the outline. The image is also protected by a rabbit proof fence and only sheep are allowed in to control the grass.

It is the third most famous monument, other examples being regimental badges and horses. It was also featured in the Olympic bid for Weymouth and BBC's "Countryfile" programme.

Many people visit the site being a local tourist attraction, and the refurbishment generates more interest as it takes place over approximately six days, the work being done by volunteers and local schoolchildren, who were given the outstretched arm to do last time.

The next talk is on April 15th at Colyford Memorial Hall, 2.30pm, the subject being "The Wonderful World of Glass" by Dr F.E. Burroughs. Non-members welcome for £2 admission (including tea/coffee and biscuit).

# Only Fools and Boycie

COMEDY legend Boycie - star of Only Fools And Horses - is heading to the Marine Theatre in Lyme Regis, following a social media campaign by fans.

People in the town sent messages to Boycie, AKA actor John Challis, asking him to bring his one-man show to the area on Saturday, March 21st.

The star responded to the latest requests and asked his agent to organise a show, which will take as part of a 25-date UK tour.

Mr Challis was recently voted one of the UK's most influential over-50 Tweeters because he has more than 45,000 followers and uses Twitter every day. He said he was delighted to be asked to play at the venue.

He said: "I'm no stranger to Lyme Regis. It's a vibrant town and I've visited on many occasions.

"I spend a lot of time on Twitter, communicating with fans, and have 45,000 followers. Last sum-

mer, a number of them Tweeted me and asked me to come to Lyme Regis. I can't wait to visit and meet up with old friends."

Mr Challis will appear in a show called 'Only Fools And Boycie', in which he will tell stories from his life, including working with The Beatles and Oliver Reed, being introduced to The Rolling Stones, drinking with George Best, and starring on Coronation Street, Dr Who, Only Fools and Horses and The Green Green Grass.

The show completed a hugely successful tour in autumn. Mr Challis said: "We're getting dates all over the place. It's an intimate evening with me, in which I talk about my life and my years in Only Fools And Horses. There's also a meet'n'greet after the show, so people can get autographs and 'selfies', if they wish.

"Only Fools and Horses changed my life and it's prompted some very funny episodes. People also

get the chance to ask a few questions and I also meet the fans and sign copies of my autobiography following the show."

Mr Challis added that he remained good friends with the cast of Only Fools and Horses and many of them still kept in touch.

He said: "We all speak and I see a lot of Marlene, or, rather, the actress Sue Holderness. I've written two volumes of autobiography, which have sold very quickly. It's been an extraordinary life and I've met a lot of interesting people. I feel very humbled that the people of Lyme Regis Tweeted me and asked me to come and I'll look forward to meeting them soon."

John Challis presents 'Only Fools and Boycie' on Saturday, March 21st, at 7.30pm at the Marine Theatre, Lyme Regis.

Tickets are £13.50 or £11.50, and to book tickets, contact TIC on 01297 442138 or visit [www.marinetheatre.com](http://www.marinetheatre.com)

# Exotic sounds and soaring melodies in spring concert

LYME Bay Chorale's Spring Concert at 6pm on Sunday, April 26th focuses on an exotic and sensuous sound world, presenting masterpieces from both the French and British C20th choral repertoires. Guest conductor, producer and musician Judy Martin will lead and direct the music, whilst LBC's Musical Director will accompany on the organ. Soloists Soprano Chloe Stratta, Leslie Baker and Baritone David Fouracre will be joined by the young Horn Player, former Woodroffe School pupil, Andrew Humphreys, who gained a music scholarship to Wells Cathedral School and is now studying at The Guildhall School of Music.

The ensemble will be performing the music of Ravel, Faure, Durufle and Messiaen and two significant works by Benjamin Britten, 'Rejoice in the lamb' and 'Jubilate in C. Further contrast and intriguing variety are provided with the mystical minimalist style of Estonian composer Arvo Part and the exquisitely rich and luscious harmonies of Sergei Rachmaninov. Soaring solo lines by Soprano and Horn will interweave with the rich choral texture and the two young musicians Chloe and Andrew will also perform solo in each half of the programme. The Concert will be in St Michael's Parish Church, Lyme Regis and tickets are available from The Penny Black Cafe and Lyme Regis Tourist Information Centre.

More information about the concert is available from [www.lymebaychorale.co.uk](http://www.lymebaychorale.co.uk)

# Beer Wurlitzer is better than ever!

THE first show of 2015 was eagerly anticipated by supporters of the Beer Wurlitzer and Byron Jones, the flamboyant jovial Welshman, did not disappoint on March 14th. Byron is a firm favourite and, as well as his wide-ranging programme, he still found time to play tunes requested by the audience. Byron, who started playing the organ as a young man in his local chapel in Wales, has achieved great international success over fifty years with countless radio and TV performances. He has played on most of the major theatre pipe organs including the famous Blackpool Tower Wurlitzer and recently played on American radio, but gets great pleasure from coming to Beer.

The Beer Wurlitzer is the oldest in the UK and is a 'high maintenance old lady who needs a lot of attention!' Much hard work has been carried out over the winter months which has included replacing the elec-

trical contacts underneath the keyboards, replacing missing parts and reinstating the Second Touch facility which has not been working for 58 years. Especial thanks are due to Trevor, Geoff and Glen for their continued hard work in maintaining and improving our beloved Wurlitzer. Byron was extremely complimentary and told the audience that the Wurlitzer was now wonderful to play.

The second show in the 2015 programme will be on Saturday, April 11th, when the ever-popular Chris Powell will be making a welcome return to Beer.

The shows are held at the Congregational Church, Fore Street, Beer, EX12 3JQ, starting at 2pm ending approx. 4.30pm. Admission is £7 on the door which includes interval refreshments.

For further information please phone 01297 24892 or visit [www.beerwurlitzer.org.uk](http://www.beerwurlitzer.org.uk).

## Review | Another fine young musician awes Colyton

ON THE evening of Saturday, March 7th, at a concert arranged by the Friends of St Andrews, Colyton (FoStA), an enthusiastic audience was entertained by a fine young guitarist Andrej Lebedev playing a remarkable range of music from J.S.Bach to the less familiar, Leo Brouwer.

Andrej demonstrated a supreme command of his instrument. His rapt audience, who had remained uncannily quiet and attentive throughout the performance, responded with almost explosive applause after the final tantalising note faded into the fabric of the church. A sparkling encore of Una limosna por el amor by Agustín Barrios, 'Mangoré', closed a sublime concert.

FoStA are proud to work closely with the Tillett Trust Young Artist Platform, "supporting tomorrow's classical music

stars today", and help bring such brilliance to East Devon.

FoStA's next event will be a talk on a subject very dear to all our hearts this time of year, our blossoming gardens. Ambra Edwards, an award-winning journalist, campaigner and columnist, will present a beautifully illustrated lecture, entitled The Romance of the Walled Garden on Wednesday 25th March at 7.30pm.

All FoStA's events take place in the beautiful surroundings of St Andrew's Church and the money raised is used to maintain the historic building for the benefit, enjoyment and appreciation of the whole community. For more details of a very exciting and varied programme for 2015, visit: [friendsofst-andrews.blogspot.co.uk](http://friendsofst-andrews.blogspot.co.uk).

## 10 TIPS TO HELP SELL YOUR HOUSE!

It's all about property presentation. Getting the buyer to connect with your home, to imagine how it will suit their family and lifestyle, is not just luck; it's about creating the right environment so they can't resist it.

1. **A GOOD LANDSCAPING** will transform the exterior look and feel of your home and give you a higher price. Hire a landscaper or do it yourself.

2. **YOUR FRONT DOOR** is the centrepiece of your kerb appeal so repaint it in a tasteful colour. Update the outside lights and put potted plants on either side of the door.

3. **THE ENTRANCE HALL** creates a first impression... make sure it is the right impression. Paint it in a neutral colour, remove any bulky furniture, upgrade the lighting and if you feel you need colour add it with accessories and a rug.

4. **BRIGHTER MODERN LIGHTING** will make your home seem sunny, cheerful and up to date. The wrong lighting can make your home feel dark and drab.

5. **PAINT COLOUR** is such a personal choice and potential buyers are likely to want to customize it themselves. If you have dark rich colours then repaint in neutral hues.

## SPOTLIGHT ON MY SERVICE

# Kim Beauchamp Foot Health Practitioner

I moved to Axminster in 2013 and already have a well established mobile foot care clinic, offering a consultation and treatment service for foot health problems. I visit patients in their own homes as well as nursing/residential homes, which provides a convenient and flexible service especially for those with less mobility. My initial visit includes a full medical history overview, foot health assessment, professional foot advice and treatment.

My aim is to provide my patients with a professional and friendly service ensuring that the highest standards of hygiene are maintained at all times. I work with each patient on a foot health treatment plan to achieve and maintain healthy and pain free feet.

Conditions where treatment and advice is available range from:

- Corns and calluses
- Fungal foot and nail infections
- Verrucae
- Cracked heels
- Ingrown toenails
- Ball of foot pain
- Diabetic foot care
- Footwear advice

Whether you require a one-off treatment or foot care attention on a regular basis I can be contacted on 07926 093053 or 01460 221806.

## The New BMW X5 xDrive40e

THE BMW X5 xDrive40e is the first plug-in hybrid production car from the BMW core brand. It combines the versatility and luxurious ambience of the X5, along with the superb traction provided by the BMW xDrive intelligent all-wheel-drive system, with BMW's EfficientDynamics eDrive technology for outstanding efficiency.

The intelligently controlled interaction between the combustion engine and the electric drive, which together generate a total system output of 313hp, endows the BMW X5 xDrive40e with strong acceleration while simultaneously realising a substantial reduction in fuel consumption and emissions. It returns a combined fuel consumption of up to 85.6mpg, and a combined electricity consumption of 15.3kWh. CO2 emissions are just 77g/km.

The BMW X5 xDrive40e reaps the benefits of the technology and know-how transferred from BMW's i brand, with exceptionally efficient performance as well as all-electric mobility with zero tailpipe emissions, as and when required.

### The Hybrid Drivetrain: an advanced partnership

The drive system of the BMW X5 xDrive40e comprises a four-cylinder petrol engine with BMW TwinPower Turbo technology, and a synchronous electric motor integrated with the 8-speed Steptronic transmission. The lithium-ion high-voltage battery pack can be topped up with mains electricity from any standard domestic power socket, or more quickly from the BMW i Wallbox, as well as at public charging stations. The high-voltage battery, which also supplies power to the battery for the 12V electrical system via a voltage transformer, is housed underneath the luggage compartment floor, where it is well protected in the event of a crash. With a capacity of

500 – 1,720-litres, the luggage area is barely compromised compared with other X5s. The standard charging cable can also be stored in a hinged compartment under the luggage area floor.

Short, everyday journeys in urban areas can easily be completed with zero tailpipe emissions, while actual fuel consumption is reduced substantially when driving for distances of up to approximately 15 miles in urban traffic. Driving in this way equates to an equivalent 94.2mpg, setting a new benchmark for efficiency in its segment. On longer journeys, when both engine and motor need to be de-

"I can honestly say that Phil the owner of this garage was fantastic from start to finish, he is very reliable. I called him about a car i saw on his website that he didnt have in his garage so he had to make a journey to get it for me to look at 2 days later and sure enough he did. It was all checked out before we arrived that morning to look at it. I am very happy with my car which i bought from him that same day. He gave me a fantastic warranty and i would most definitely recommend him to all my friends."

## Tigers rewarded for triple goal fightback Long at the double as Fishermen move clear – Vikings thrashed!

### SOUTH-WEST PENINSULA LGE

**SIDMOUTH TOWN 2 TEIGNMOUTH 8**  
SIDMOUTH went into this game with Darren Thomas, Jordan Cooper, Matt Slark and Ashley Small all unavailable. For 70 minutes the young Vikings gave a very good account of themselves.

But Sam Chapman scored four times as the league leaders struck a late flurry of goals at Manstone Lane to make the score line horrible reading for the hosts.

For most of the game it was an even contest, with Chapman scoring from a thunderous strike inside the first ten minutes.

Chapman's effort was cancelled out by the in-form Riki Pitter on the 20th minute. But a very good passing move from Teignmouth set up Matt Eaves to restore the lead and take the Teigns into the break 2-1 up.

The Vikings changed their formation at half time and introduced teenager Joe Miller who replaced another youngster - the industrious Matt Ogley.

Midway through the half Sidmouth Captain Aaron Doble's free-kick found the net after rebounding off Liam Jones in the visitors goal.

The game remained level until the 70th minute when Adam Fay hit an unstoppable effort past the impressive Dec Lines in the home goal.

Teignmouth scored a fourth on the 80th minute through Ryan Bush and the then the flood gates opened.

The Vikings had to gamble and pushed centre back Cameron Vere up front with Jake Boyland making way.

By now the visitors smelt blood and waded in for four late strikes, including a penalty which Vikings' manager Josh Stunell felt was a harsh decision, and a triple from Chapman.

**TOTNES & DART 3 AXMINSTER TOWN 3**  
AXMINSTER Town continued their fine end of season run-in with a gutsy come-back against Totnes & Dartington under the floodlights at Newton Abbot on Wednesday evening.

The Tigers went into the game with a reshuffled line-up: "We had six centre-backs unavailable so we forced to play 16-year-old Kingsley Wellman and left-back Mark Smale in there with midfielder Callum Garrett filling-in at left back," said Joint-manager Keith Somers.

A poor first-half showing saw Ax troop off 2-0 down: "It could have been more - we were far too negative and left Cal Somers isolated up front", said Somers.

The Tigers improved after the break but still conceded a third. This prompted a change with Ben Turner summoned from the bench for his first appearance after five months out after a hernia operation. And the combative midfielder had an immediate effect.

Alex Wheatley and MoM Smale reduced the arrears to 3-2 with fine headers but the best was saved until last with Ben Vine grabbing the point saver with a magnificent 40-yard effort for his ninth goal of the campaign.

The Tigers had no fixture on Saturday but return to league action next weekend with the visit of Newton Abbot Spurs (3pm ko).

### D&E LEAGUE REPORTS

**Beer Albion 2 Willand Rovers Res 0**

PREMIER Division

BEER Albion were rewarded for a hard-working performance with a 2-0 win in Saturday's match against struggling Willand Rovers.

The visitors were undone by two quality strikes from Chris Long in the first half.

It was an important three points for Fishermen to keep them safely above the relegation places as the league programme enters its final phase.

Chances were few and far between until the 25th minute when Beer player manager Richard Walker shot narrowly wide from 25 yards.

This seemed to spur the Fishermen into action and six minutes later they took the lead when Walker headed on a clearance from keeper Jones into the path of Chris Long who netted with a fierce strike from 22 yards.

Less than a minute later, a pinpoint pass from Sam Phillips found Long and he made it 2-0 with a carbon copy of his first goal.

Willand continued to show lots of endeavour in the 2nd half but Beer's back line coped comfortably, young defenders Joe Adkin and Josh Harrison both having excellent matches.

As the game wore on, the Fishermen assumed control and almost added to the score when a spectacular left-foot strike from Walker skinned the bar. As the game drew to a close, Long was again denied his hat-trick by the Willand keeper's leg.

Next Saturday Beer entertain Exeter University 2nds. Kick off is 3pm and the Match sponsor is The Dolphin Hotel Beer Ltd.

### SILVERTON 1 BEER ALBION RES 2

BEER Albion Reserves put in another plucky performance away from home winning 2-1 at Silvertown on Saturday to move up to 4th in the Division Six table.

In the first half Beer had the advantage of a steep-sloping pitch and took an early lead through player manager Simon Smith.

This should have been the platform for the Fishermen to push on and take advantage of the steep slope. However, the hosts played the conditions better but even so they were only able to fashion one real chance, brilliantly saved by Beer keeper Shaun Gould.

On the stroke of half time, the Fishermen should have doubled their lead when they were awarded a penalty after a clumsy tackle on Lewis Weedon, but the kick was saved by the Silvertown keeper.

The prospect of defending a 1-0 lead playing up hill in the second half seemed a daunting task for the Fishermen, but they upped their game and kept Silvertown at arms length.

Then, crucially, Beer doubled their lead when Smith notched his second goal following good work by Nathan Newberry and Matt Rowson.

This was to be Rowson's last contribution of the game as soon after he was red-carded for an unintentional hand-ball at point-blank range on the goal line. Fortunately for the resulting penalty was blasted wide.

Silvertown pulled a goal back with eight minutes to go, setting up a nervy ending to the game. With minutes to go Beer conceded another penalty which again was missed and the Beer boys held on.

On Sunday, March 22nd, Beer 2nds entertain Clyst Valley Under 18s at The Furzebrake in a Golsworthy Cup tie, kick off 2pm. Match sponsor is Bay View Guest House Beer.

### Round-up with Collin Goodwin

PREMIER leaders TIVERTON TOWN took a giant step towards the title when they wrecked HATHERLEIGH TOWN's long unbeaten record.

The Yellows won 2-0 with an early brace from Dave O'Connor to stretch their lead to eight points.

FENITON stepped up to second place after coming from one down to win 6-3 at TOPSHAM TOWN. A Paul Dowling hat-trick, Charle Selley, Ben Ede and Phil Everett did the job for Fenny.

SIDSBURY UNITED had to settle for a 2-2 draw at THORVERTON scoring their equaliser from Dave Green in the

last few minutes and then having a man sent off. Earlier Dan Churchill put them ahead before the thors hit back.

BOW AAC also drew 2-2 at home to CHARD TOWN with Alex Bowden and Jack Greenslade on target.

SEATON TOWN surprised NEWTOWN 4-3 on their own patch with Mike Hancock, Martyn Hancock, Jake Richards and Seth Wakley scoring. Ben Howard hit all three Newtown goals.

The UNIVERSITY demolished BUDLEIGH SALTERTON 6-0 with Darren Ofoe scoring twice, BEER ALBION won 2-0 against WILLAND ROVERS.

Division One leaders HONITON TOWN moved five points clear after a 3-0 win against EAST BUDLEIGH. Joe Mulhall, Andy Isaac and Lewis Couch were Honiton's marksman.

Rivals EXETER UNIVERSITY took over second place following a 2-1 win at EXMOUGH AMATEURS with Charlie Dean and Taylor Latham scoring.

LYMPSTONE enjoyed a welcome victory 2-1 against BICKLEIGH thanks to a brace from Mark Dunne.

With Division Two leaders Colyton and their three closest challengers not in action, UPOTTERY took the chance to really close up with a 6-3 win at home to SIDMOUTH TOWN. Steve Morris and Max McKeown both scored twice.

HALLWILL also scored six without reply at NEWTON POPPLEFORD. Andrew Wonnacott leading the way with a hat-trick. Craig Butler 2 and Ryan James also scored.

HENRY'S CRONIES are within two points of top spot in Division Three following their 6-0 win against AXMOUTH UNITED.

Joe Bond (2, 1pen), Julian Simier and an OG saw LYME REGIS beat the UNIVERSITY 4-1 at a packed Davey Fort, and overtake CHAGFORD who suffered a shock 3-2 reverse at home to PINHOE.

LAPFORD are within a point of top place in Division Four after their 3-1 win at BAMPFORD, while NEWTOWN are off the bottom rung having won 3-1 against WESTEXE ROVERS, and with AWLISCOMBE slipping to a 1-0 defeat at home to NORTH TAWTON.

Division Five FLUXTON won 8-2 away from home for the second week on the bounce. The latest triumph was at PRIORY with Matt Clothier Smith bagging a nap hand.

UPLOWMAN ATHLETIC scored all their goals in the last 25 minutes to beat STARCROSS GENERALS 4-1 and having been one down.

Chris White, Brian Redwood, Paul Orchard, and Tom Gozna shared the goals.

Norman Foster netted a double for HALWILL as they won a thriller with HONITON TOWN 6-4. Sam Stockdale, Gareth Osman, Mark Skelton and Vince Brown also scored.

OTTERY ST MARY preserved their

ten points lead as Division Six pacemakers following a 4-0 win against DUNKESSWELL ROVERS, nearest rivals KENTISBEARE also winning with ease 6-1 at EAST BUDLEIGH.

CULM UNITED took another step towards the Division Eight title winning 4-0 at LAPFORD, but there were two major upsets one at WELLINGTON where they suffered a 4-3 defeat at home to SIDMOUTH TOWN, and at ST MARTINS who lost 2-0 to OPEN SPACE INTERNATIONAL.

WHIPTON & PINHOE hopes of reaching the Devon Intermediate cup final were ended by a 2-1 defeat at home to PILTON ACADEMICALS.

By Howard Larcombe  
THE Division One relegation battle at Eastlee Park saw FARWAY UNITED slip closer to the trap door with a 2-1 defeat at the hands of rivals Luso-Chard.

There was better news from St Mary's where MILLWEY RISE, who are rumoured to be heading off to the Devon & Exeter League next season, took an early 2-0 lead through Keith Forsey and Zax Meaker against Pymore.

The hosts pulled one back but Mark Pike clinched the win.

But back at Cloakham Lawns MILLWEY RISE RESERVES drew a blank for the third game in a row and went down 4-0 against improving Chard Rangers.

Also in Division Three newly crowned John Fowler cup winners Hawkchurch United's scheduled game at Barrington Reserves was postponed.

**bowls round-up****More success for Axminster****AXMINSTER** with David Harris

THE club have had another successful period with four wins out of the five games played.

We started with a home mixed friendly win 58-52 against CHARDSTOCK with wins for Pam Hunter, Gerald Knott, Ann Clayton &amp; Brian Clark (25-13) and Phil White, Andy Curtis, David Harris &amp; Jack Wakeley (24-13) before losing 57-64 at home to SIDMOUTH in another mixed friendly with our only winners being John Packham, Barbara Mowatt, David Harris &amp; Brian Clark (36-13).

We then won our last two mixed friendlies of the Indoor season - both at home - 65-56 against FENITON with wins for Pam Clark, Margaret Brown, David Harris &amp; Malcolm Denslow (26-12) and Morrison Brown, John Hill, Ann Clayton &amp; Steven Apsey (26-18) and then 55-48 against TAUNTON BC with a winning rink of Joan Quick, Ken Quick, David Harris &amp; Neil Solomon (22-8).

The Ladies won their two-rink triples match 39-27 at home to BUDLEIGH SALTERTON with wins on both rinks - Margaret Stancliffe, Ann Clayton &amp; Judith Moffitt (20-14) and Daphne Ryan, Jan Parsons &amp; Alison Glyde (19-13).

◆ Five of our lady members, Phil White, Joan Quick, Ann Clayton, Jan Parsons and Alison Glyde represented the Club in the Ladies Patrons round-robin Competition at Isca.

The 52 participants were divided into two groups with all five ladies winning their first games, and Ann Clayton doing well to go on and finish runner-up in her section.

THE race for the title is a close one this year with Otters, Flamingos, Upploman and Hi Q all still in the hunt.

This week Flamingos met Hi Q in a defence dominated game. Hi Q started quickly and led 6-1 at the end of the first quarter with Kerri Callon playing well.

But then Flamingos got a grip of their game and, with Olivia War-

wick playing well, had moved 8-6 in front by half way and this proved crucial to the final 14-12 victory.

The other game of the evening saw Otters return to the top of the table with a 42-26 win over Tip Top Trees, who picked up a point.

The first quarter was close with Otters ahead at 11-9, but they gradually extended their lead

quarter by quarter thanks to good work from Helen Wright. Lydia Clapp had a fine game for 3Ts.

SIGNS South West confirmed their promo-

tion and the second division title as they took their unbeaten run to 13 against Sidmouth Toucans.

Signs took a five-goal lead after the first quarter at 9-4 and held this at half way.

Going into the final period they had made it 23-17 and finished winners by 29-22, so the first period had been the decider with the

game being even afterwards.

Emma Boalch was the SSW star whilst Livy Davies was the pick of the Toucans.

Otter Valley moved back into second place thanks to fine work from Pippa Wyatt in their 33-12 victory against Blackdown Ladies, for whom Nicki Snell turned in another good performance

Although Signs South West have taken the top spot there are still three teams left with a chance of the second promotion spot – Otter Valley, Howden Hawks and Sidmouth Toucans.

NATIONAL leading trainer Jack Barber and leading jockey Will Biddick combined for a hat-trick to dominate the opening stages of the Blackmore &amp; Sparkford Vale card last Sunday.

Hunt race winner Ask The Weatherman, and Maiden race winners Boa Island and Siege Of Troy provided the pair's three successes. The wins took Jack and Will further clear in their national standings with 19 and 25 winners respectively.

Ask The Weatherman made all for a facile victory from Double Dizzy, who passed Maxi Chop to take second. The six-year-old has now won three of his four races between the flags – he and his conqueror Native Pride were 30 lengths clear of the opposition in his only defeat at Larkhill in January – and looks the sort to have a fine future under Rules.

Will adopted similar tactics aboard Boa Island who put in a fine round of jumping for an easy success. Bought for £38,500 at Cheltenham in November after finishing third in an Ayr NH flat race, Boa Island races for Ian Fogg, Paul Nicholls and Richard Webb.

We bought him as he's by the same sire and reminds us of our other horse, Turtle Boys," said Harriet Brown, who trains the winner for 12 of her father, Jeffrey's, friends.

Chelsea Jennings, 21, got off the mark

Siege Of Troy, a faller when in contention at Woodford two years ago and knocked over when reappearing at Larkhill in January, deservedly opened his account under a classic Biddick holdup ride.

"Will often rides Jack's horses prominently, but we just wanted to get the horse back into a nice racing mode," said Jack's father, Jeremy.

Hopes of a Barber-Biddick four-timer were dashed when Spuddler fell three out in the Restricted when leading, leaving Turtle Too (Ben Clarke) to get the better of a battle with Gleannacraig (Charlotte Hawker).

"We bought him as he's by the same sire and reminds us of our other horse, Turtle Boys," said Harriet Brown, who trains the winner for 12 of her father, Jeffrey's, friends.

Chelsea Jennings, 21, got off the mark aboard outsider of six Tony Dinozzo in the Ladies Open. "I train this one and [Wadebridge runner-up] Wildle At Heart on the New Forest tracks and pathways and at Larkhill," smiled Chelsea, who also enjoys sailing from her Lympington

base.

On the eve of the Cheltenham Festival, Cockney Trucker, who has finished third, fourth and fifth at the season's premier meeting, was an appropriate Mens Open winner.

"He's benefited from lots of jumping over our Pontispool Equine Sports Centre hunter trial fences and from all the work Will Gordon has done with him," pointed out Richard Mitford-Slade, who trains the 13-year-old for members of his skittles team.

The favourite, Foynes Island, was moving into contention when capsizing three fences from home.

Louise Cable and Harry Cobden gained compensation for Foynes Island's departure when Roseyoo took the closing Club race.

Given a confident ride by Harry, Roseyoo jumped the last in fourth place but had 1½ lengths to spare passing the line.

The winner of the 138cm pony race was Veno Star ridden by Fergus Gillard, while the 148cm race was taken by Calypso under Ben Godfrey.

## Cup double for Rise

◆ WINNERS: Millwey Rise U9s celebrate with coaches Jamie Froom and Darren Clarke.

**SEATON** Town Under 13s played in the semi-final of the League Plate Competition against Division Two side Cullompton Rangers.

Seaton started very well and Edward Kenworthy opened the scoring followed by a goal from William Hellier.

Cullompton pulled one back before Reece McCabe netted Seaton's third, however Cullompton grabbed another just before half time to give Seaton a slender 3-2 lead at the interval.

But Seaton upped their game after the restart and further goals from Kenworthy McCabe, Piers Alphonse and Alfie Bullmore clinched a 7-4 win.

Seaton won the match 7-4 and go through play either Exmouth or Ottery St Mary in the competition Cup Final.

**Colton Rebels U8s** were on impressive form on Saturday winning both of their matches in style.

Ben Sweeney put the Rebels ahead early on in their initial match against HEAVITREE EGLES.

Sweeney added a second to complete a 2-0 win fine performances from defender Josh Frewin and keeper Kyran Paynter.

The Rebels then secured a 4-0 win over HEAVITREE HAWKES in their next game.

Archie Bell, Ben Sweeney, Heath Parsons and Corbin Real netted the goals.

Team manager Richard Frewin said: "We got hold of both games early and put in some impressive performances. It is our first double win and we saw some terrific tackling and passing. The all round team effort shows the dedication of our players.

## Millwey Rise round-up

## Moonlit mission has Green on top

with Dave Mutter

JAMES Green proved he eats loads of carrots by winning the **Moonlit Flit** in Totnes on Saturday.

This was a dusk Half Marathon along a beautiful, but hilly mainly off-road course that James completed in 1hr 24mins. With the results still being verified, James is confident he is the overall series winner.

Phil Bayliss ventured into the dark recesses of deepest Cornwall and ran along the scenic and undulating roads of **Falmouth** in the annual Half Marathon race. He was the first over 60 home in an ex-

cellent 1:38:05.

Roger Bramley went in the opposite direction to Phil; he went to Wiltshire to run the **Longleat Half Marathon** in aid of the British Heart Foundation.

It was a cold and early 8:45am start and the course was rather undulating in and around the grounds of Longleat.

However, roared on by the lions and clapped home by the monkeys, he was pleased with his time that mirrored Phil's in Cornwall of 1hr 38mins.

Unfortunately, the first two home in the **AVR Junior March handicap**; Poppy Tooze and Joe Swann have not completed

enough qualifying runs to count, so victory went to Flo Swann in 13:20 with Ethan Huntley 2nd, 15:10; Rory Dyer 3rd, 12:29, Stephen Morbey 4th, 14:24 and Ben Franklin 5th, 11:44.

Flo now leads the Junior ranking with 41 points, followed by Lewis Burridge, 36 and Imogen Waterhouse 35.

Canny Hart won the longer **Senior handicap** in 29:02, with Yvette Hill 2nd, 30:42; Simon d'Albertanson 3rd, 27:30; Gavin Warren 4th, 27:41 and Clare Hansford 5th, 24:40. Clare Hansford leads the Senior rankings with 58 points, followed by Canny Hart 44 and Yvette Hill 43.

## First half proves crucial

## Honiton 2nds 41 Sidmouth 3rds 10

HONITON 2nds entertained local rivals Sidmouth this weekend at Althallowes and claimed the local bragging rights with a fine 41-10 victory.

The Laceman kicked off playing down the slope and in recent weeks, have been slow starters.

However, an infringement by the Sidmouth pack led to the ball being kicked down to clubhouse corner and from the resulting lineout, which was superb all day, the ball went out to the centres with Alex Davies crossing over for an unconverted try. Honiton used this early momentum to push on, and some good phase play by the forwards allowed Stef Archer to cross over and then convert his own try.

Honiton had the majority of possession in the first half, and from a restart the ball found its way to Andy Canniford who showed good footwork to cross over for the Laceman's 3rd try of the game.

Before the half was up the hosts had scored a further two tries with both coming from a solid foundation from the pack and good hands from the backs to allow

both wingers to cross over, Joe Keep getting one and Ben Welsh the other in only his second ever game of rugby to take the half time score to 27-0.

Playing up the slope, Honiton found Sidmouth the brighter of the teams and after some good sustained pressure, they crossed over for their first try of the game.

Not to be outdone, Honiton got the ball back in hand and the young colt Ross Oaten ran in from the 15 and converted his own try.

The rest of the half was a pretty even affair, and at times Sidmouth controlled the game. This showed when their winger Olly Rice, on loan for the second half, beat several men to cross over.

However it was the Laceman who had the final word when Ben Kidson, another colt, crossed over for a try in the final play of the game, which was duly converted by Nick Gilbert.

A good team performance all round, but special praise must go the Davies Brothers who both had a real impact. Next up for the Honiton 2nds is Saturday's trip to Teignmouth.

Anyone interested in joining the club can contact Ben Morgan on 07787436583.

# Dymond the ace as Hawks lift Fowler cup

Hawkchurch United 1  
Shepton Beauchamp Reserves 0  
John Fowler Cup Final

APPEARING in their fifth appearance in the final in the last 17 years Hawkchurch United finally got their hands on the John Fowler Cup after a fully deserved victory over Shepton Beauchamp Reserves.

The Hawks came into Thursday night's Final under the floodlights at Bridport as clear favourites having already beaten in both of the PSDL Division Three league meetings between the teams this season.

In addition, Martin Bright's side were in fine form and putting together a push for promotion having been unbeaten in their last seven outings.

The first half-chance of the match arrived in the 18th minute over when John Turner headed over at the far post.

Chances were scarce throughout the match, but what proved to be the all-important winner came a minute before the interval when

by Howard Larcombe  
[howard@pemedia.co.uk](mailto:howard@pemedia.co.uk)

Hawks' skipper Andy Dymond, who led from the front with a hard-running performance, found a yard of space at the near post and glanced a header that flashed past Shepton keeper-manager Terry Crocker and into the net.

Crocker was in action again with a fine block at his near post to deny Lee Herrod midway through the second period.

Three minutes later he parried a low shot from Dan Richards that rebounded back to the Hawks' sub who then manoeuvred some space before cracking a fierce drive that crashed into the crossbar.

But the Devonians had few alarms at the other end with keeper James Mitcham not required to make a save of note as a disappointing Shepton side created little.

Top performers on the night for Hawkchurch, in a good all-round team showing, were Dymond, right

back Josh Short and Dan Richards who looked lively in a half-hour cameo after coming off the bench.

**Hawkchurch team:** James Mitcham, Josh Short, Simon Herrod, Stewart Weir (Dan Richards 57), Mark Herrod, Jack Larcombe, Jamie Harris (Rowan Short 85), Gavin Herrod, John Turner, Luke Harding, Andy Dymond (capt).

**Lyme Regis 1 Axminster Town 6**

*Axminster Hospital Cup QF*  
GOALS from Ben Vine (3), Sam Dibbling, Alex Wheatley (pen) and substitute Tony Pinder saw Axminster Town comfortably overcome a Lyme Regis team that had been in D&E league action just 24 hours previously.

Dibbling opened the scoring with the pick of the goals – a classic 25-yard lob that left Lyme keeper Chris Higgs helpless. Dibbling then turned provider for Vine to add number two.

Vine scored his second early in the second half with a shot that was partly blocked by Higgs but

◆ SOARING: Hawkchurch United players pictured after their 1-0 victory *Photo by HOWARD LARCOMBE*

just crossed the line before Wheatley made sure.  
Julien Simier pulled one back for Lyme after a neat through ball from

Mark Bailey but Vine made it 4-1 as  
Lyme legs began to tire.

A foul on Dibbling in the box al-

lowed Wheatley to make no mis-  
take from the penalty spot and  
teenager Pinder came off to the  
bench to run through and complete  
the scoring.
